ROSÉ
WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Baby cheeks, pale salmon color. The nose has hints of watermelon, strawberries, guava and pomegranate. Very bright upfront with flavors bursting on the mid-palate. The wine is juicy, round and vibrant with a long citrus finish.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
