PINOT BEUROT WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties.

THE WINE

In tribute to our French heritage, we have named our Pinot Gris, “Beurot” - the traditional Burgundian denomination for the variety. The name is derived from the similarity between the brownish color of the Pinot Gris grape skin, and that of the heavy brown fabric worn by French monks in the Middle Ages, known as a “Bure”.

A sprinkle of Oregon sunshine! The nose is exhilarating with ripe pear, white flowers, wet stone and notes of exotic passion fruit. On the palate it delivers silky and creamy almond paste notes with a fresh lemon zest finish.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir, Chardonnay and Pinot Gris. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
