Domaine Divio

WILLAMETTE VALLEY CRÉMANT

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

The appearance is a light green-gold color. Bright and floral on the nose with lemon zest freshness and fleshy golden apple characters. The palate lingers with clean acidity and brisk mineral spices that bring finesse and sophistication to the wine.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
