ROSÉ  
WILLAMETTE VALLEY

**THE AVA**

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

**THE WINE**

Fresh and elegant aromas of sliced kiwi, watermelon and strawberries shine through on this 100% Pinot Noir Rosé. The freshness flows through onto the palate, with bright and juicy acidity lifted by the red fruit and floral notes highlighted on the nose.

**THE WINERY**

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
