Domaine Divio

PINOT NOIR HYLAND VINEYARD

THE AVA

Nestled in the weather shadow of the Coast Range mountains, vineyards in the McMinnville AVA benefit from longer ripening periods and the resulting wines show beautiful purity of fruit. Predominantly marine sedimentary soils are interrupted with scatterings of basalt which make not only vineyard selection, but block selection, an important task for a winemaker.

THE WINE

Deep, dark color. The nose expresses violets, cola, blackcurrent, sweet leather and strawberries. The primary palate has a generous fruit burst followed by a secondary wave of spicy, black cherry flavors and firm tannins with a complex expression of the iron soils characteristic of the Hyland vineyard.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
