PINOT BEUROT WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties.

THE WINE

In tribute to our French heritage, we have named our Pinot Gris, “Beurot” - the traditional Burgundian denomination for the variety. The name is derived from the similarity between the brownish color of the Pinot Gris grape skin, and that of the heavy brown fabric worn by French monks in the Middle Ages, known as a “Bure”.

The nose reveals hints of white flowers, pear, citrus, a touch of ginger and a gentle sea breeze. The palate is fresh and spicy with rich honey, almond paste and citrus notes on a finish that is both long and refreshing.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir, Chardonnay and Pinot Gris. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
