WILLAMETTE VALLEY CRÉMANT

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Fresh, vibrant and delicate floral notes. The nose evolves into fresh cut red apple, strawberry, watermelon and apple tart. Zesty blood orange and crisp Meyer lemon flavors are balance on a mineral texture finishing on a dynamic and lengthy note.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
