PINOT NOIR
WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

The nose is alive with blue fruit, raspberry, earthy notes, persimmon, roasted nuts, cardamon and blond tobacco. Lively mouthfeel with elegant and concentrated red fruit. The brightness conveys the pedigree of the wine and creates the perfect structure to complement any meal.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
