PINOT NOIR
CHEHALEM MOUNTAINS

THE AVA

The geography and climate of this AVA is what sets it apart from the others. With three distinct mountains in the picturesque area twenty miles south of Portland, the AVA features the highest point in the Willamette Valley. Due to the mountainous terrain, three prominent soil types - basaltic, ocean sedimentary and wind-blown loess - allow for greater complexity in the wines.

THE WINE

The nose is inviting with notes of Sarsaparilla, plum, dark cherry, anise, and blond tobacco. These characteristics follow through onto the palate, with lush notes of boysenberry among them. The finish is lengthy with a pleasant weight to it.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
