## PINOT NOIR WILLAMETTE VALLEY

### THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

### THE WINE

The 2020 vintage is deep red in color with exciting aromatics of cola, plums, cranberries, roses and violets. Upon sipping, the wine reveals a juicy cherry character with a delectable mid-palate of powerful boysenberry and red fruits and finishes memorably with refined tannins.

### THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
