## PINOT NOIR

WILLAMETTE VALLEY

### THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

### THE WINE

Composed of equal portions from Clos Gallia, Prince Hill and Hyland Vineyards, the wine shows a dazzling combination of its respective AVA characteristics: the elegance of the Ribbon Ridge AVA, the red fruit of the Dundee Hills AVA and the mouthfeel of the McMinnville AVA.

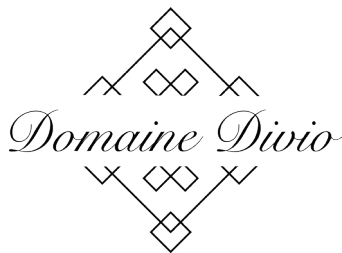

An effusive and floral nose is braced by aromas of tea leaves, blond tobacco, roasted hazelnuts and a touch of forest floor. The texture on the palate is elevated with red berries, cola and black cherry flavors. The finish lingers with a sweet core balanced by savory tannins.

### THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
