ROSÉ
WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Baby cheeks Rosé. The nose is a fresh array of pomegranate, watermelon, strawberry cotton candy, honeysuckle, rose petal and orange zest notes. The mouthfeel is complex, with flavors of red currants, bing cherry, fresh spice, pomegranate, textured melon and refreshing citrus. The finish is lingering with mineral notes of wet stone.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
