ALIGOTÉ
WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Delicate pale yellow color with hints of gold. Aromas of white-fleshed fruit, white flower blossoms, peach, lemon, lindens, green apple and citrus. The palate has a light body of fresh pear and lychee flavors with hints of minerality. The delightful fruity acidity makes it very refreshing for any aperitif or afternoon sip.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
