Domaine Divio

PINOT NOIR

WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Deep dark color. Fresh cherry and cranberry juice on the nose followed by strawberry, raspberry, cola and orange rind. The palate is juicy and crunchy with flavors of cherry and good acidity, balanced with robust structure. The finish is refined with roasted coffee notes and fine tannins.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
